

## **Custom Sweeping Service's Philosophy of Service Excellence Means:**

### **Industry-Leading Methods, Training and Procedures**

- High quality service delivered in a consistent, dependable and knowledgeable manner.
- Ongoing education and training by both management and employees to keep company methods up-to-date with the latest Best Management Practices as well as with local, state and federal regulatory information.
- We are committed to being leaders in the industry as a top echelon sweeping company, always at the forefront of industry methodology, equipment and information.

### **An Outstanding Level of Service**

We sweep in an established manner each night. You will not see sand build-up on properties swept by Custom Sweeping Service. Nor will you see build-up in the corners of your property or trash in your landscaping. Our procedures include:

- sweeping all parking areas near and far from the building,
- cleaning around curbs and wheel blocks,
- blowing off sidewalks and other areas inaccessible to sweeper,
- handpicking (when needed) natural and landscape areas,
- change-out of trashcan liners,

### **Use of Innovative and Late Model Equipment**

- We maintain our sweepers so they will perform to manufacturer's OEM specifications. This ensures they will provide optimal performance on your property, and do so with minimal mechanical mal function.
- We utilize air sweepers that are ideal for each sweeping situation. In short, we'll provide the right machine to fit your need.

### **Motivated Employees**

- Employees of Custom Sweeping Service are motivated to perform at a high level.
- Our ongoing professional training programs enable us to offer the most thorough and reliable service procedures available.
- Our employees are proud of their company and their work. You'll see this enthusiasm reflected in their service.
